How To: Add new users within browser (Guardian)

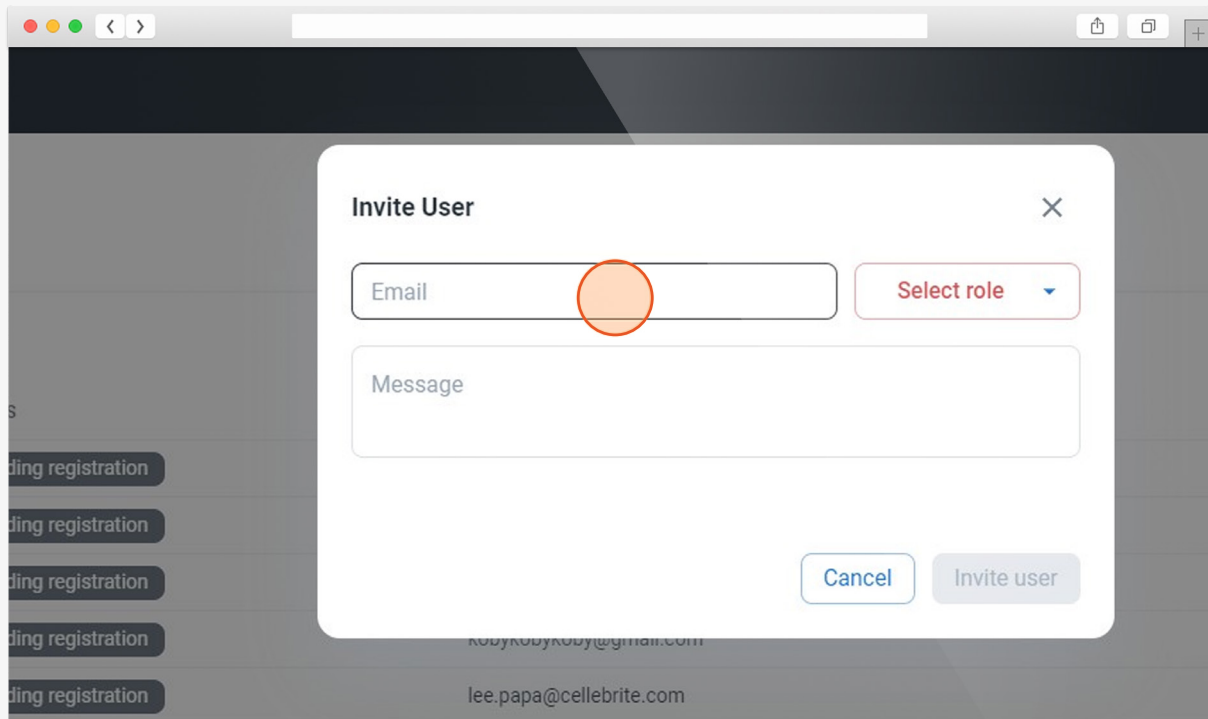

1 Open Cellebrite Guardian in your browser.

2 Click on the "Invite user" button.

3

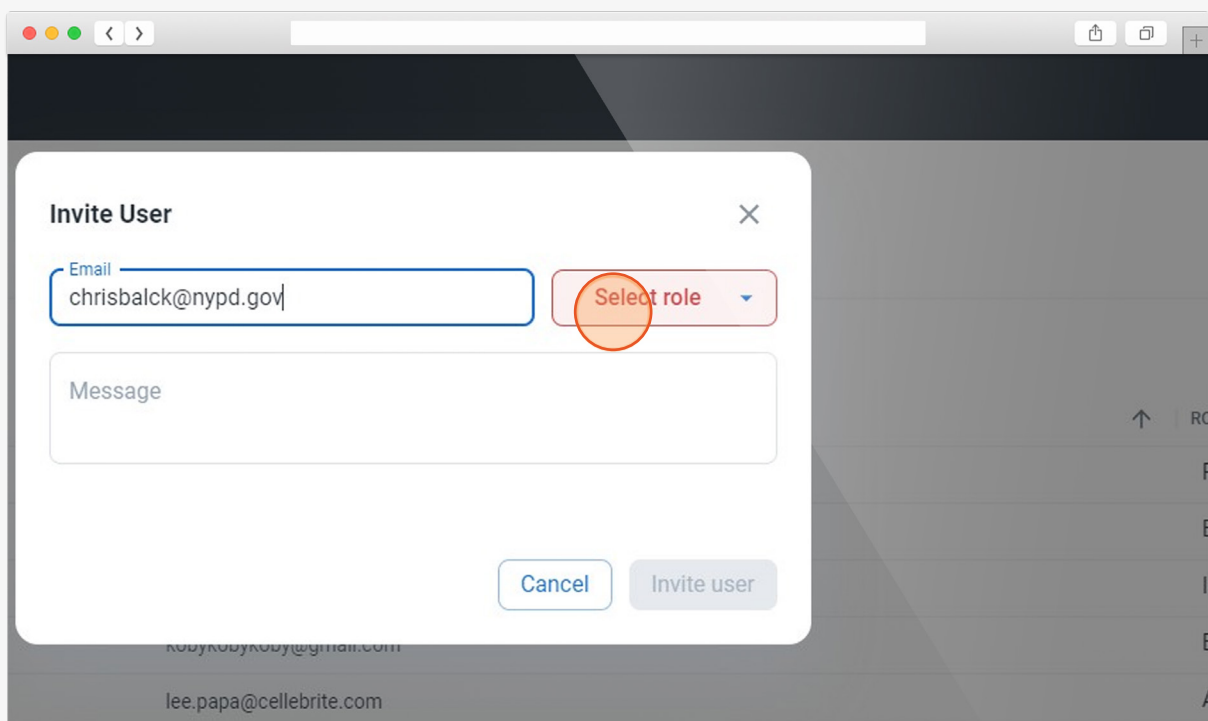

Enter the email/s of the users you want to add.

The screenshot shows a web browser window with a modal dialog titled "Invite User". The dialog has a close button (X) in the top right corner. It contains two input fields: "Email" and "Message". The "Email" field is highlighted with an orange circle. To the right of the "Email" field is a dropdown menu labeled "Select role". At the bottom of the dialog are two buttons: "Cancel" and "Invite user". The background of the browser window shows a list of users with email addresses like "robbyrobby@gmail.com" and "lee.papa@cellebrite.com".

4

Click "Select role"

The screenshot shows the same "Invite User" dialog box as in the previous step. The "Email" field now contains the text "chrisbalck@nypd.gov". The "Select role" dropdown menu is highlighted with an orange circle. The "Message" field is empty. The "Cancel" and "Invite user" buttons are still at the bottom. The background of the browser window shows the same list of users.

5

Assign the relevant role for the user.

The screenshot shows a web browser window with a modal dialog titled "Invite User". The dialog has a close button (X) in the top right corner. It contains an "Email" input field with the text "chrisbalck@nypd.gov". Below the email field is a "Select role" dropdown menu. The dropdown menu is open, showing a list of roles with checkboxes: "System Admin", "Examiner" (highlighted with an orange circle), "Reviewer", and "Detective/Investigator". There is a "Cancel" button at the bottom left of the dialog. In the background, a table with a "ROLE" column is partially visible, showing roles like "Reviewer", "Examiner", "Investigator", "Examiner", "Admin", and "Examiner".

6

Add in an optional message as relevant.

The screenshot shows the same "Invite User" dialog box. The "Email" field still contains "chrisbalck@nypd.gov". The "Select role" dropdown menu now shows "Examiner" as the selected role. The "Message" input field is highlighted with an orange circle. At the bottom right of the dialog, there are two buttons: "Cancel" and "Invite user". The background table is still visible.

7

Click "Invite user".

The screenshot shows a web browser window with a modal dialog box open. The dialog box has a text input field containing "nick@nypd.gov", a dropdown menu set to "Examiner", and a message "Welcome to Guardian!". At the bottom of the dialog are "Cancel" and "Invite user" buttons. The "Invite user" button is circled in orange. In the background, a table lists existing users with their email addresses and roles.
