

Cellebrite Training Wallet

A Smarter, More Flexible Way
to Access Cellebrite Training

What is the Training Wallet?

The Cellebrite Training Wallet is a streamlined, flexible budgeting solution designed for law enforcement and federal agencies to efficiently plan, purchase, and manage Cellebrite training. With the Training Wallet, agencies can pre-purchase training credits and allocate them as needed throughout the year, providing greater flexibility in selecting and scheduling courses.

Why Choose the Training Wallet?

- **Maximize Your Training Budget**
Buy credits upfront and use them at your convenience.
- **Flexible Learning Options**
Mix and match In-Person, Virtual, and Self-Paced training based on your team's needs.
- **Centralized Management**
Easily track credits, usage, and training participation through the MyCellebrite Community Portal.
- **Scalable for Large Agencies**
Manage one wallet for the entire organization or assign multiple wallets across different departments.
- **Seamless Access to Training**
Quickly enroll in public courses or allocate credits to specific training paths.

How It Works

Purchase & Allocate Credits

- Credits are available for purchase in increments, with an initial minimum of **\$15,000** and additional refills of **\$7,500**.
- Each credit costs **\$100**, and training courses are priced based on credit consumption per day.

Training Formats & Credit Usage

- **In-Person / Virtual Training** → **9 credits per day**.
- **Self-Paced Training** → **8 credits per day**.
- Courses range from **1 to 5 days** in length.

Manage & Track Training

- Credits are stored and managed in **MyCellebrite's Training Portal**.
- **Wallet Owners** can track balances, usage reports, and student enrollments.

Enroll & Train

- Use credits to register for any eligible Cellebrite training course, recertification, or exam fee.
- Credits must be used within 1 year of purchase and courses must be completed in full; select bundle options are available.

Key Benefits for Agencies

- **Predictable Budgeting**
Lock in funding for training without dealing with frequent approvals.
- **Departmental Flexibility**
Assign training funds across divisions without administrative hurdles.
- **Scalable Training Access**
Support continuous learning for multiple teams and locations.
- **Comprehensive Reporting**
Gain visibility into training participation and resource allocation.
